

LAKE HOUSE ROOM "ROMANTICA"

The refined Romantica room, nestled in a cozy corner, entices you with its exquisite bay windows and elegant porthole windows, creating an ambiance of timeless beauty. Spanning across a generous 28 m², this room is bathed in natural light, exuding a sense of tranquility and serenity.

Its privileged southwest location affords you a marvelous side view of the picturesque lake, while a charming balcony grants you the opportunity to witness captivating vintage and sports car rallies. Impeccably designed, the room boasts a double bed and a comfortable seating area adorned with a warm, heated tiled stove.

The presence of a large flat screen allows for extraordinary television indulgence, even from the comforts of your own bed.

Completing the ensemble is a small bathroom, featuring ample daylight and a relaxing bathtub, ensuring utmost comfort and a delightful sense of well-being. We would be delighted to provide you with a personalized proposal for your desired date.
