

LAKEHOUSE SPA SUITE „PANORAMA“

Your expansive lakefront suite "Panorama" is situated on the topmost floor directly above the lake. The awe-inspiring view of the lake and mountains will captivate you.

This suite, spanning approximately 70 m², emanates an even greater sense of spaciousness and openness, thanks to the stunning exposed roof trusses. Subtle opulence greets you at the lakeside. Bask in the sun and indulge in the lake vista from two south-facing balconies.

The top-notch amenities include a separate living room and bedroom, a walk-in closet, oak parquet flooring, tailor-made furnishings, a minibar, telephone, and a Nespresso coffee and tea station, ensuring that no desire remains unfulfilled. Two flat-screen TVs provide television enjoyment from both the bed and the comfortable sofa in the living room.

In the bathroom, you will discover a sanctuary of well-being, featuring a private sauna and a spacious bathtub. The walk-in shower and separate toilet complete the bathroom.

We would be delighted to provide you with a personalized proposal for your desired date.
